TO ALL NAWASH DOG OWNERS

Dogs are wonderful companions. With the beautiful weather, more community members and vehicles are out and about. Please be mindful and observant of your dogs. Dogs have been unexpectedly darting out which poses danger to all involved.

Please keep your dogs & community members safe.

FRAGRANCE ALLERGIES ALERT

Due to allergies in the building please refrain from wearing heavy cologne / perfume and or body sprays.

Thank You,
Chippewas of Nawash

THANK YOU FOR 8 YEARS OF SERVICE!
SUZY PURSER'S LAST DAY IS FRI. JUNE 3RD

Baa Maa Pii – Suzy Purser Nee Jones

Good colleagues are the kind of people you can rely on, generally, get along with, share a joke or two and ask for help.

Suzy Purser(Jones) has been an exceptional staff member and employee of the Chippewas of Nawash Health Centre. Suzy's first day commenced on June 4, 2014 as the Health Centre Receptionist, it didn't take Suzy long to establish herself and prove her strong work ethic and continuous drive for learning. Her commitment to this organization has positively impacted the staff and community clients that she has worked with, within the 8 years of her service, Suzy has held the position of the Community Health Representative and Harm Reduction Outreach worker. Within that time Suzy worked a full time position and excelled at learning, she has an Indigenous Community Diabetes Support Program Diploma from Canadore College which she completed on June 3, 2016, and a Community Health Representative Diploma from the Native Education & Training College of Business in December 2018. In addition to her growing knowledge, she holds a DZ license and Medical Responder certificate that she utilizes as a volunteer Firefighter for the Chippewas of Nawash Fire Department. Suzy has given much time, effort, and dedication to her community, she is a leader and positive role model. Congratulations Suzy for all your hard work, it has not gone unnoticed! Suzy's last day will be on Friday, June 3, 2022.

As a Health Centre staff, co-worker, and friend I would like to take this moment to acknowledge your valuable contributions to the Health Centre, and your unwavering support during all the years that I have worked alongside you.

As we like to say this is not good-bye but Baa Maa Pii Suzy, much love, and respect from

~ SpringDawn Cook-Akiwenzie, CHN and the Health Centre Staff.

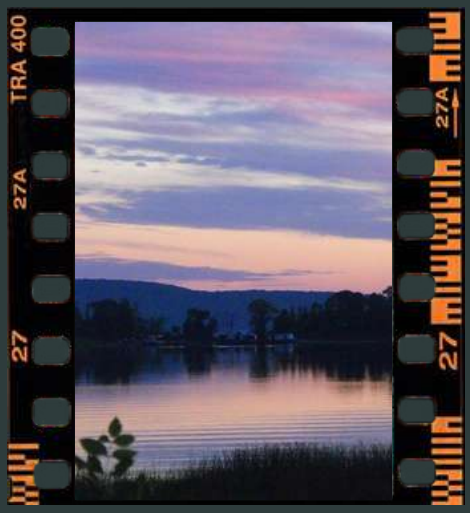
KYLENE KANERVA



NEYAASHIINIGMIING

Human Resources Manager
Started in August 2020

My name is Kylene and I am grateful to be part of the Chippewas of Nawash Unceded First Nation team as the Human Resources Manager. Previous to this role, I was living and working in Nunavut in various Human Resource and Finance roles for the territorial government, and the municipal hamlet of Igloolik. My Human Resource and General Arts education was completed through McMaster, Fleming and Fanshawe. In addition to HR roles, I have been in teaching positions, supervisor roles, health care, the automotive industry, serving and customer service.

A little more about me, I:

- Was born in Sudbury, but have lived all over Ontario
- Can converse, though not fluent in Ukrainian and S.E.E. (Signed Exact English)
- Love being outside and on the water
- Have an interest in sustainability and climate change, travel; and have been lucky to have had experienced over 20 countries with one of my favourites being Finland to learn more about that side of my family. Also, I feel we can learn so much from European countries in regards to sustainability and work-life balance to improve our physical and mental well-being

Best decision I've made thus far?

- Planting roots in the most beautiful area in Ontario.
