CASUAL EMPLOYMENT LIST?**

Jobs are occasional and short term for things such as:

- office reception
- painting
- removing snow from a roof
- moving equipment

- general labour

There is no guarantee of employment. The Casual List allows Band Supervisors to know when Band members are interested in occasional work and the skills that are available. The hourly rate of pay is based on the work to be done and the degree of skill/education necessary for the job.

If interested, take the first step by filling in the information on the back of this form and forward the form and your resume to the Band Administration Office Reception Desk.

If you have questions ~ contact Carolynn Wright,
