Business Information

The Small Business Loan & Grant Fund will support initiatives that focus on financial and economic prosperity through expansion, new or proposed businesses and will consider funding Economic and marketable skill projects that have an emphasis on leadership in the following areas:

- To build a strong economic base in Indigenous communities by engaging youth, Elders, low income, and persons with disabilities in community;
- To maintain a strong complement of Indigenous personnel, governance, apprenticeship and trade skills;
- To involve training, education, and development of culturally appropriate practices;
- To plan for financial sustainability;
- To promote community development strategies, healing models and processes that reflect the wisdom, tradition, teachings, and values of Indigenous community and worldview;
- To increase Business acumen ie: increase confidence, resolve conflict, time management, financial management, and to develop business plans to increase business potential.

Business Description – Describe your business

[Empty text area for business description]

What are the goals and objectives of your Business? The goal or goals will state what you are going to accomplish or what is the desired outcome. Objectives are your action plan, which are specific steps or activities being taken to reach the goal(s).

Goals:

Objectives:

Community Needs – How does your Business meet the needs of the community and how will this funding help address that? (Provide letters of Support)

Evaluation - How will you measure or evaluate the impact of your Business? What are the indicators of success? What measurements will you use to help you determine the level of success?

Note: Outcomes are specific, measurable, and meaningful.

Please note: A quote, estimate, invoice or commercial advertisement must be submitted to substantiate your funding request.

BUDGET TEMPLATE – Fill out your expenses and requested funds here or use your own budget template
