Good afternoon!

We have exciting news ... We will be opening our After School program to the **Jr and Sr Kindergarten Children!** We have 10 spaces available for this age group. Please phone or email the centre for a registration package.

We will be opening this program on Monday November 15th, beginning after school, on this day. The School Bus will drop the children off at approximately 3:40. The hours of operation continue to be modified, and we ask that families pick up their children on or before 4:45. This will allow our staff to conduct the necessary cleaning, as COVID cleaning guidelines continue to be very stringent.

We are hoping to extend the after-school program to other cohort age groups early in the new year!

Please note that in order for your child to attend the after-school Jr & Sr kindergarten program, you will have to complete the online COVID-19 School and childcare screening assessment. Children who do not have a complete assessment prior to 3:45pm will not be permitted to attend the program.
