

## Pre-Construction Condition Survey Technician

### Dare to join Englobe

Englobe, and its more than 2,600 people concerned about the environment daily, engage in sustainable engineering, process soils and biomass, and manage the quality and integrity of assets.

At Englobe, we adopt innovative, human-centered management. We welcome new ideas and are open to discussion. We are determined to succeed in partnership with our teams.

Our Southwestern Ontario engineering team is currently seeking a **Pre-Construction Survey Technician** for a 6 month casual contract - to be based remotely out of Neyaashiinigiing, Ontario or the surrounding area. The position will support Englobe's pre-condition survey work for the Water Distribution System Upgrade construction project that will be underway by Bridge Excavating within the Chippewas of the Nawash Unceded First Nation in 2022.

### Your Contribution

- Coordinating and performing field work, primarily pre-construction condition surveys of building and properties using a video camera for the Water Distribution System Upgrade project.
- Ability to work in a fast-paced environment and able to carry out assignments with minimal supervision.
- Comfortable interacting with public and enjoys working outside for the majority of the day.
- Performs fieldwork as directed by senior staff.
- Able to work independently and as part of a team.
- Able to effectively and efficiently problem-solve and multi-task in a busy work environment.
- Consistently performing prescribed technical procedures, safe work practices and work plans in a safe, efficient manner.

### Your Profile

- No degree requirements. Entry level position.
- Valid provincial driver's license required and access to reliable vehicle.
- Photography and Videography experience is an asset, but not necessary.

**Please e-mail resumes directly to Sharanya Hariharan [Sharanya.Hariharan@englobecorp.com](mailto:Sharanya.Hariharan@englobecorp.com);  
Senior Talent Acquisition Advisor with Englobe's Human Resource department.**

Englobe adheres to the principles of employment equity, including that of equal opportunity and equal treatment in respect to employment, in accordance with the provisions of the Canadian Charter of Rights and Freedoms and its provincial equivalent. Englobe makes hiring decisions based solely on qualifications and competencies, merit and business needs.

Englobe is committed to providing accommodation to, and working with, applicants with disabilities, to meet their needs throughout the recruitment selection and/or assessment process. Applicants with

disabilities requiring accommodation should contact Human Resources with their request and information on the position(s) they seek to apply.

We would like to thank all applicants for submitting their resume; however, only selected candidates will be contacted.

Health and safety are at the heart of Englobe's corporate culture. In order to provide our employees with a safe working environment in the context of the COVID-19 pandemic, and in light of the growing number of clients making vaccination a prerequisite to access their sites and facilities, all Englobe employees are required to confirm their vaccination status through a secure online form. For some positions, you will be required to provide proof of full COVID-19 vaccination as a condition of employment. This condition will be communicated to you if it applies to your role during the interview.
