

LAND SURVEY FUND ASSISTANCE AVAILABLE

**DEADLINE:
FEB 24 @
NOON**

For land transfers for residential builds and outstanding estates.

Chippewas of Nawash has designated a land survey fund assistance program for this year. Further years of this funding program is pending availability of funds.

Up to \$5,000.00 per application is available towards the completion of a Canada Land Survey for two prioritized needs:

- 1). Privately held Certificate of Possession (CP) Lands which will be transferred to another band member for immediate residential development. This development is required within two years of receiving assistance.**
- 2). Privately held Certificate of Possession (CP) Lands which have been in outstanding estates for at least ten (10) years since death of band member.**

Funds will be paid directly to a survey contractor who will be coordinated by the Lands Department for package pricing based on multiple surveys being done.

Band members will be responsible for any survey costs over and above the \$5,000.00 for their particular survey which there may or may not be. Band members will be notified of any additional costs before moving forward with survey packages.
